

User Instructions - Party Powder

- ✦ The powder bags can be opened by ripping off the upper part of the package at the incision/cartel.
 - ✦ Avoid contact with eyes
- ✦ The powder is non-toxic but can cause irritation to the eyes. When you do accidentally get coloured powder in your eyes, wash out immediately with water.
 - ✦ Keep away from children younger than 3
- ✦ Make sure children are supervised at all times when using powder
 - ✦ Not irritating to the skin
- ✦ The powder could leave colour traces in clothes, especially in light fabrics and colours.
- ✦ Always use the product outdoor, or in very well ventilated rooms
 - ✦ Product can be mixed with water to form a paste and directly applied on skin for more intense colour.
- ✦ Not harmful for the environment, our powder is Bio-degradable
 - ✦ Do not put the Coloured Powder in your mouth
 - ✦ Don't forget to have fun 😊
